Tour Itinerary

Day 1 – Thu: We have a morning flight to NYC arriving early afternoon, collect our bags, meet our coach and proceed into the city where we enjoy a guided tour of the city with an excellent step-on guide, covering as much of the must-see sights as the driver and guide can squeeze into the available time. We end in Midtown at our Times Square hotel. We have time to freshen up but back downstairs by 6:30pm for a short walk over to our dinner tonight at Bond 45.

Day 2 – Fri: Our free day. David will take all who have signed up for a trip to Battery Park and over to the Statue of Liberty, with an additional stop at Ellis Island. We will plan a stop at John's Pizza for lunch before returning to the hotel by 1pm. This evening, we walk as a group to Sardi's Famous Restaurant for our pre-theater dinner and our main Broadway show: *Frozen*, at the St. James Theatre.

Day 3 – Sat: This morning we have an insiders guided tour of Rockefeller Center revealing the hidden side of one of the largest commercial projects ever built in America. We also have tickets to a matinee performance of the *Radio City Christmas Spectacular*. A lavish 75 minute show that will have you jumping--the Rockettes never disappoint! After the show we cross 51st Street to 30 Rockefeller Plaza for Top of the Rock, the 67th, 69th and 70th floors observation decks. Great shopping from 5th Avenue at Rockefeller Center north to Central Park. Return to the hotel on your own or with the escort if you prefer.

Day 5 – Sun: Be packed with your bag out for pick up by 8:30am, and checked out of your room by 9:00. Our coach will pick us up in front of our hotel and we're off to the west side piers for our Circle Line cruise of Manhattan. We have lunch boxes on the boat which we can eat during the sail or save for the airport. Afterward we re-board our coach and return to the airport and our flight home.

Our trip includes a great Broadway show, the new Disney blockbuster, *Frozen*, at the St. James Theatre, with a pre-theater dinner at Sardi's famous restaurant; *The Radio City Christmas Spectacular*, and a visit to Top of the Rock. We also have an insiders tour of Rockefeller Center, and a Circle Line Cruise of Manhattan our last day in the city.
